### STRAP ON THIS

Dear J18: I am a longtime fan of your mag, but I wonder why it is that you so rarely run sets of girls doing one another wearing strap-ons. I mean, in the vast majority of your girl-girl sets the girls dildo each other or implement the use of some other sort of toy, so why not more strap-ons? Girls, especially young girls of the type that model for your publication, look incredibly sexy wearing strap-ons. I propose a set featuring a black girl wearing a white strap-on fucking a white girl with it, then the white girl can wear a black strap-on and fuck the black girl. I have a vision in my head of the scene and it's all quite lovely with the contrasting colors and whatnot.—Lowell in KY

### ANOTHER MAN WITH A PLAN

Dear JUST 18 Magazine: What do all the pretty little angels on the pages of your publication do when they are not removing their clothes for the camera? I imagine that some of them are in college or work menial, part-time jobs. But do any of those sweet babes need a sugar daddy? I am offering my services as such. I am an older male of average build, adequately hung, of decent means. I would like to have a pretty angel in my life and I have seen many on the pages of your magazine that I am particularly interested in. There was a beautiful brunette with very full, natural titties named Destiny on one of your covers a ways back, and in that same issue there was a girl called Daniela with long, dirty blonde hair and a whole lot of attitude. Daniela pleased herself with a dildo so long that it was a joy to behold. Please pass along my contact information to both those angels, or any other angel who has indicated a desire for a sugar daddy's meticulous care.—Bernard in NJ

### FAN OF THE FIDDLE

Dear Pretty Babies: This letter goes out to all of the pretty babies that have ever spread their beautiful babydoll legs and fiddled with their pussy holes for the sake of someone like me. JUST 18 always finds the prettiest of all pretty babies to get naked and finger themselves. I like the fucking shots too, but sometimes I think those are a little bit graphic for my liking. —Randall in OH

### HIGH GRADES

Dear J18: You are A+ in my book! If I was a teacher and I had to grade all of the slutty darlings I would give them all A++ also! —Vin in MN

### HERE'S TO SLUTTY GIRLS

Dear J18: Great work, keep it up and know that there are plenty of people out there in the world who are extremely appreciative of what you do. I would have an exceedingly difficult time choking my chicken without you. Thanks to all the slutty girls out there for making magazines like yours possible! —Rick in ND

### WHAT RHYMES WITH TUG?

Dear JUST 18 Magazine: I was inspired to write a poem after spending a couple of days tugging myself to your magazine. I am not much of a poet but the words just came to me and I felt compelled to jot them down and send them in. I hope that other readers will be able relate to what I've written. —Tommy in WA

*I want to stick my finger in a young girl's pie  
then feel her tiny nipple poked into my eye.  
I want to suck nicely on a young girl's clit  
then stick my raging pecker deep in her slit.  
I could make a young girl mean and feel real good  
with my tongue and hands and nice hard weed.*

### CUMMIN' UP!

Dear JUST 18: Out of all the girlie mags out there, yours is one of the finest in my humble opinion. For what it's worth. I have turned to pornography at several different times throughout my lifetime, but now I just look at it because I like it. It's as simple as that. Nothing gives me as much pleasure as spending an evening in with a brand new copy of JUST 18 after treating myself to a nice burger from Sonic. If I get lucky, my Sonic waitress will be a real cutie and I can fantasize about her as I stroke myself looking at the girls in the magazine. Once I even had a waitress there that was so cute I had to pull it out and rub myself a little right there on the spot. I didn't want to finish things then and there, though. I have an issue with sex and food, I feel like they should be separate activities. But those roller skates those girls at Sonic wear! The sound of them clattering over the pavement as they bring me food gives me a boner every time. What do you think about putting a pair of skates on a naked girl in your magazine some time? That'd be really hot! —Vinnie in AZ

# MONIKA

See—virgins  
have hungry  
holes, too!

**W**hen it comes to turn-ons, I'm pretty easy. I like having my neck and shoulders kissed and the small of my back rubbed lightly. It drives me wild to have my nipples sucked, and the one time I let a boy eat me out I swear to god I thought I was going to shatter into a million pieces—in a good way. I've never done the whole deed yet but I do know what it feels like to have something inside me because I have a small vibrator I like to use to make myself cum. At first I was worried that putting a toy in my pussy was like taking my own virginity or something, but then I figured that if it couldn't possibly make me pregnant then it didn't count. I was thinking I might start playing around with girls because lezzie sex doesn't count as real sex, either. Even though I'm a V, I still want some O's!

18 JUST EIGHTEEN

**W**ith the big track and field event looming, I decided to consult the captain of the men's team in the hopes of honing my spear handling skills. Jay is the longstanding javelin champ at my college and is renowned for his rigorous training methods. I was beyond psyched when he agreed to take me on and work me out. He began by giving me a thorough tongue lashing that made me tremble. After that, I was determined to impress him with my grip so I really bore down and gave it my all. He seemed to like my stick technique but before I could gain much momentum he said it was time to give me a lesson on thrust. He stuck his tip into my sector and drove his point home, pumping in and out with a rhythmic intensity like nothing I had ever experienced before. It didn't take long before I felt totally ready to cumpete. 

Balling should be a competitive sport.

## LIFE LIKE IN EVERY DETAIL

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

# HORNDOG'S NOTEBOOK

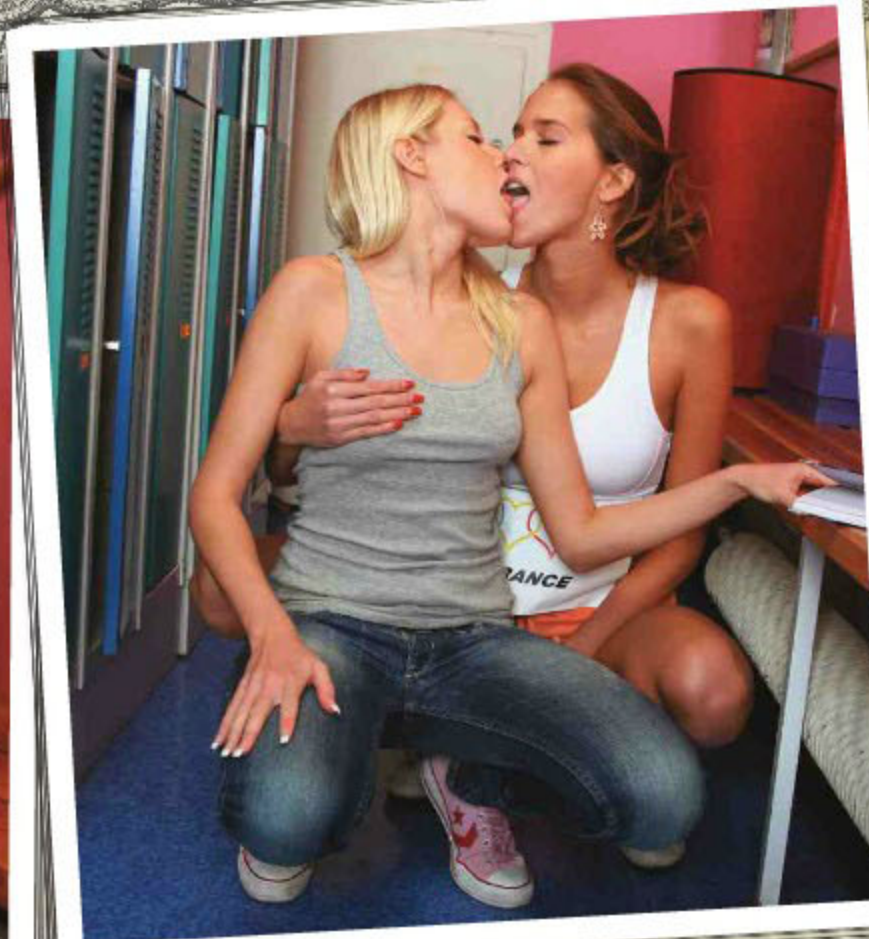

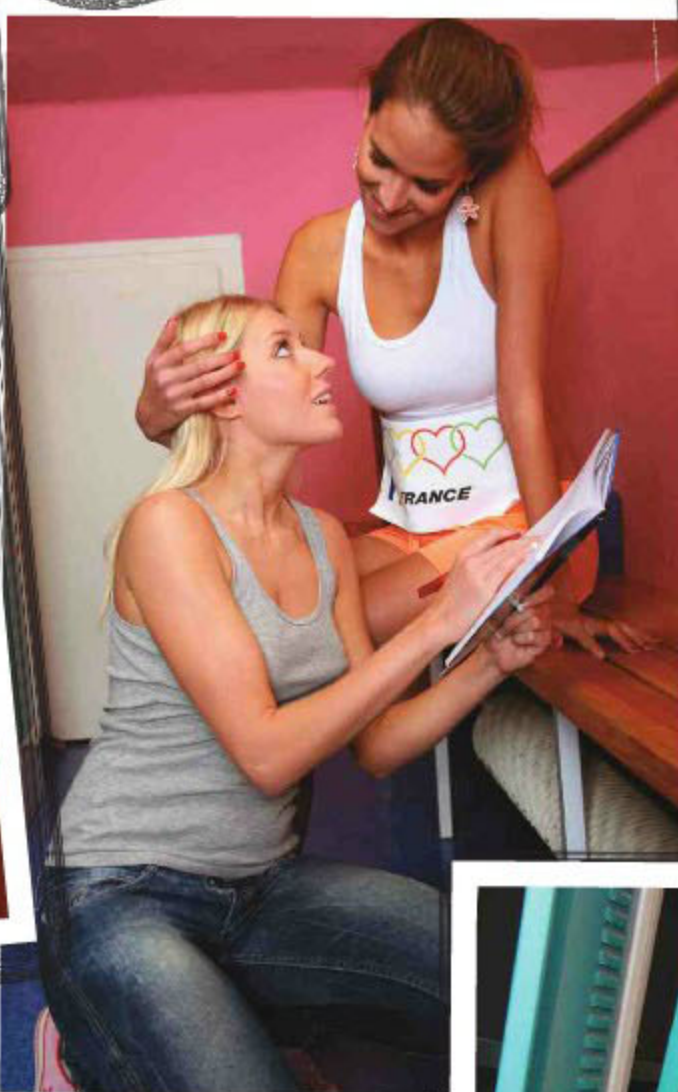

By Kathy D.

"Hey guys, check out what happens to lucky Kathy when she goes on a different kind of assignment for the magazine she works for. It's good to branch out and try something new sometimes, dontcha think?"

## DASH TO ORGASM!

31488

I was kinda mad at my editor Lina Braun at the magazine. You've probably seen her mentioned in the gossip columns—one of those high-powered middle-aged know-it-all bitches who love to make life hell for everybody who works for her, and who has to prove 24/7 she's got more on the ball than any of the men she's ever met on her way to the top of the publishing scene. Well, it wasn't enough for Lina that I do a really, really great job in my column covering the New York nightlife scene. "You have to broaden your perspective, Kathy," she said to me in her British accent, "and I want you to interview Silvie of France, who they say is going to be one of the big names in the Olympics. Fly over to her training camp and get the story on what makes her tick."

"But Ms. Braun, I don't even know what sport she's good at!" Even if she hit it big in the Olympics and became an international celebrity, there was only a 5% chance that I would even know then.

Lina tossed her pencil at me. "You're just a lazy trust fund baby, Kathy! I'm sick of your kind at this magazine! You start as interns

and then you think you can tell an Editor-in-Chief what assignments you want! Get the hell out of my office and do something more useful than profiling the latest celebutard in Louboutin heels. Interview Silvie and I expect the story on my desk early next week, you twit!"

So that's how I came to be in the locker room with Silvie a couple of days later. I did a little advance research so I knew she was good at some kind of "dash" or other. (The only "dash" I've ever been good at is dashing to the nearest ladies' bathroom in my Jimmy Choo heels when I need to unload after a night of too many appletinis!)

I dressed down so I would fit into the gym environment. I guess in a way it was a nice change of pace not to have be wearing a dress or an ensemble when doing a story, as I usually did in the clubs at night. I was comfortable in just my jeans, sneakers, and a wife beater.

Silvie spoke pretty good English but with a heavy accent, and she was just eighteen. She'd already had an amazing career dashing around and had all sorts of awards and medals. She had a quirky, independent personality, too. But one thing I

noticed quickly was that no matter what questions I threw at her, she seemed to bring up the topic of sex in her replies.

"So what do you feel when you're dashing at your maximum, Silvie, and reaching the finish line before everybody else? How would you describe the sensation?" I said, my pen ready to jot down her important words.

"Eet is like 'la petite mort,'

Kathee," she said.

"Isn't that the name of a restaurant in Paris?"

"You are so funnee, Kathee!" Silvie said, moving closer to me. "You are from the beegest citee in Amerree-ka, but you know so lee-tle of anywhere else! La Petite Mort--ha-ha, you are stupid, Kathee! Ah, but don't look so sad, I only call somebody stupid eef I like them. Because you are also so pree-ty, Kathee." And she put her hand on the back of my head, running her fingers through my hair and moving her face over for a kiss. I would have resisted, except she was pretty herself, and I do like to indulge in a girl now and then. You know, part-time pussy-lapping.

"Um, you still didn't tell me what 'lah peteet mork' means," I said, working hard in my mind to forgive her "stupid" crack for the sake of the article, which I had to do or risk losing my job. I felt Silvie's breath through her lips as she slipped her tongue into my mouth.

"Eet is what you Ameree-kins call the Beeg O," she said, kissing me hard and feeling my nipples through my tee. "When I heet the feenesh line, I am almost readee to cum!" And then she tugged down my shirt and cupped my titties in her hands. Her mouth felt good kissing and sucking my nipples. I slipped down her tee so I could sample her boobs too.

"Have you ever actually cum when you reached the finish line? Not just almost?" I decided to memorize everything she said, because it was kind of hard to take notes when she was directing my face toward her pussy. Her thighs felt so nice and warm around my cheeks as I lapped at her clit.

She took down my panties and

jeans and clamped her hand on my pussy. Kissing my neck, she whispered into my ear, "I theenk I became a good runner because I alweeys cum! But I like to cum theese way too." She nibbled on my ear but it tickled a little too much so I stood up and moved my cookie onto her face. Silvie's tongue flicked out and she licked me just as fast as she ran—I knew this because I saw her running on the track before we started the interview, and yes she was really, really fast.

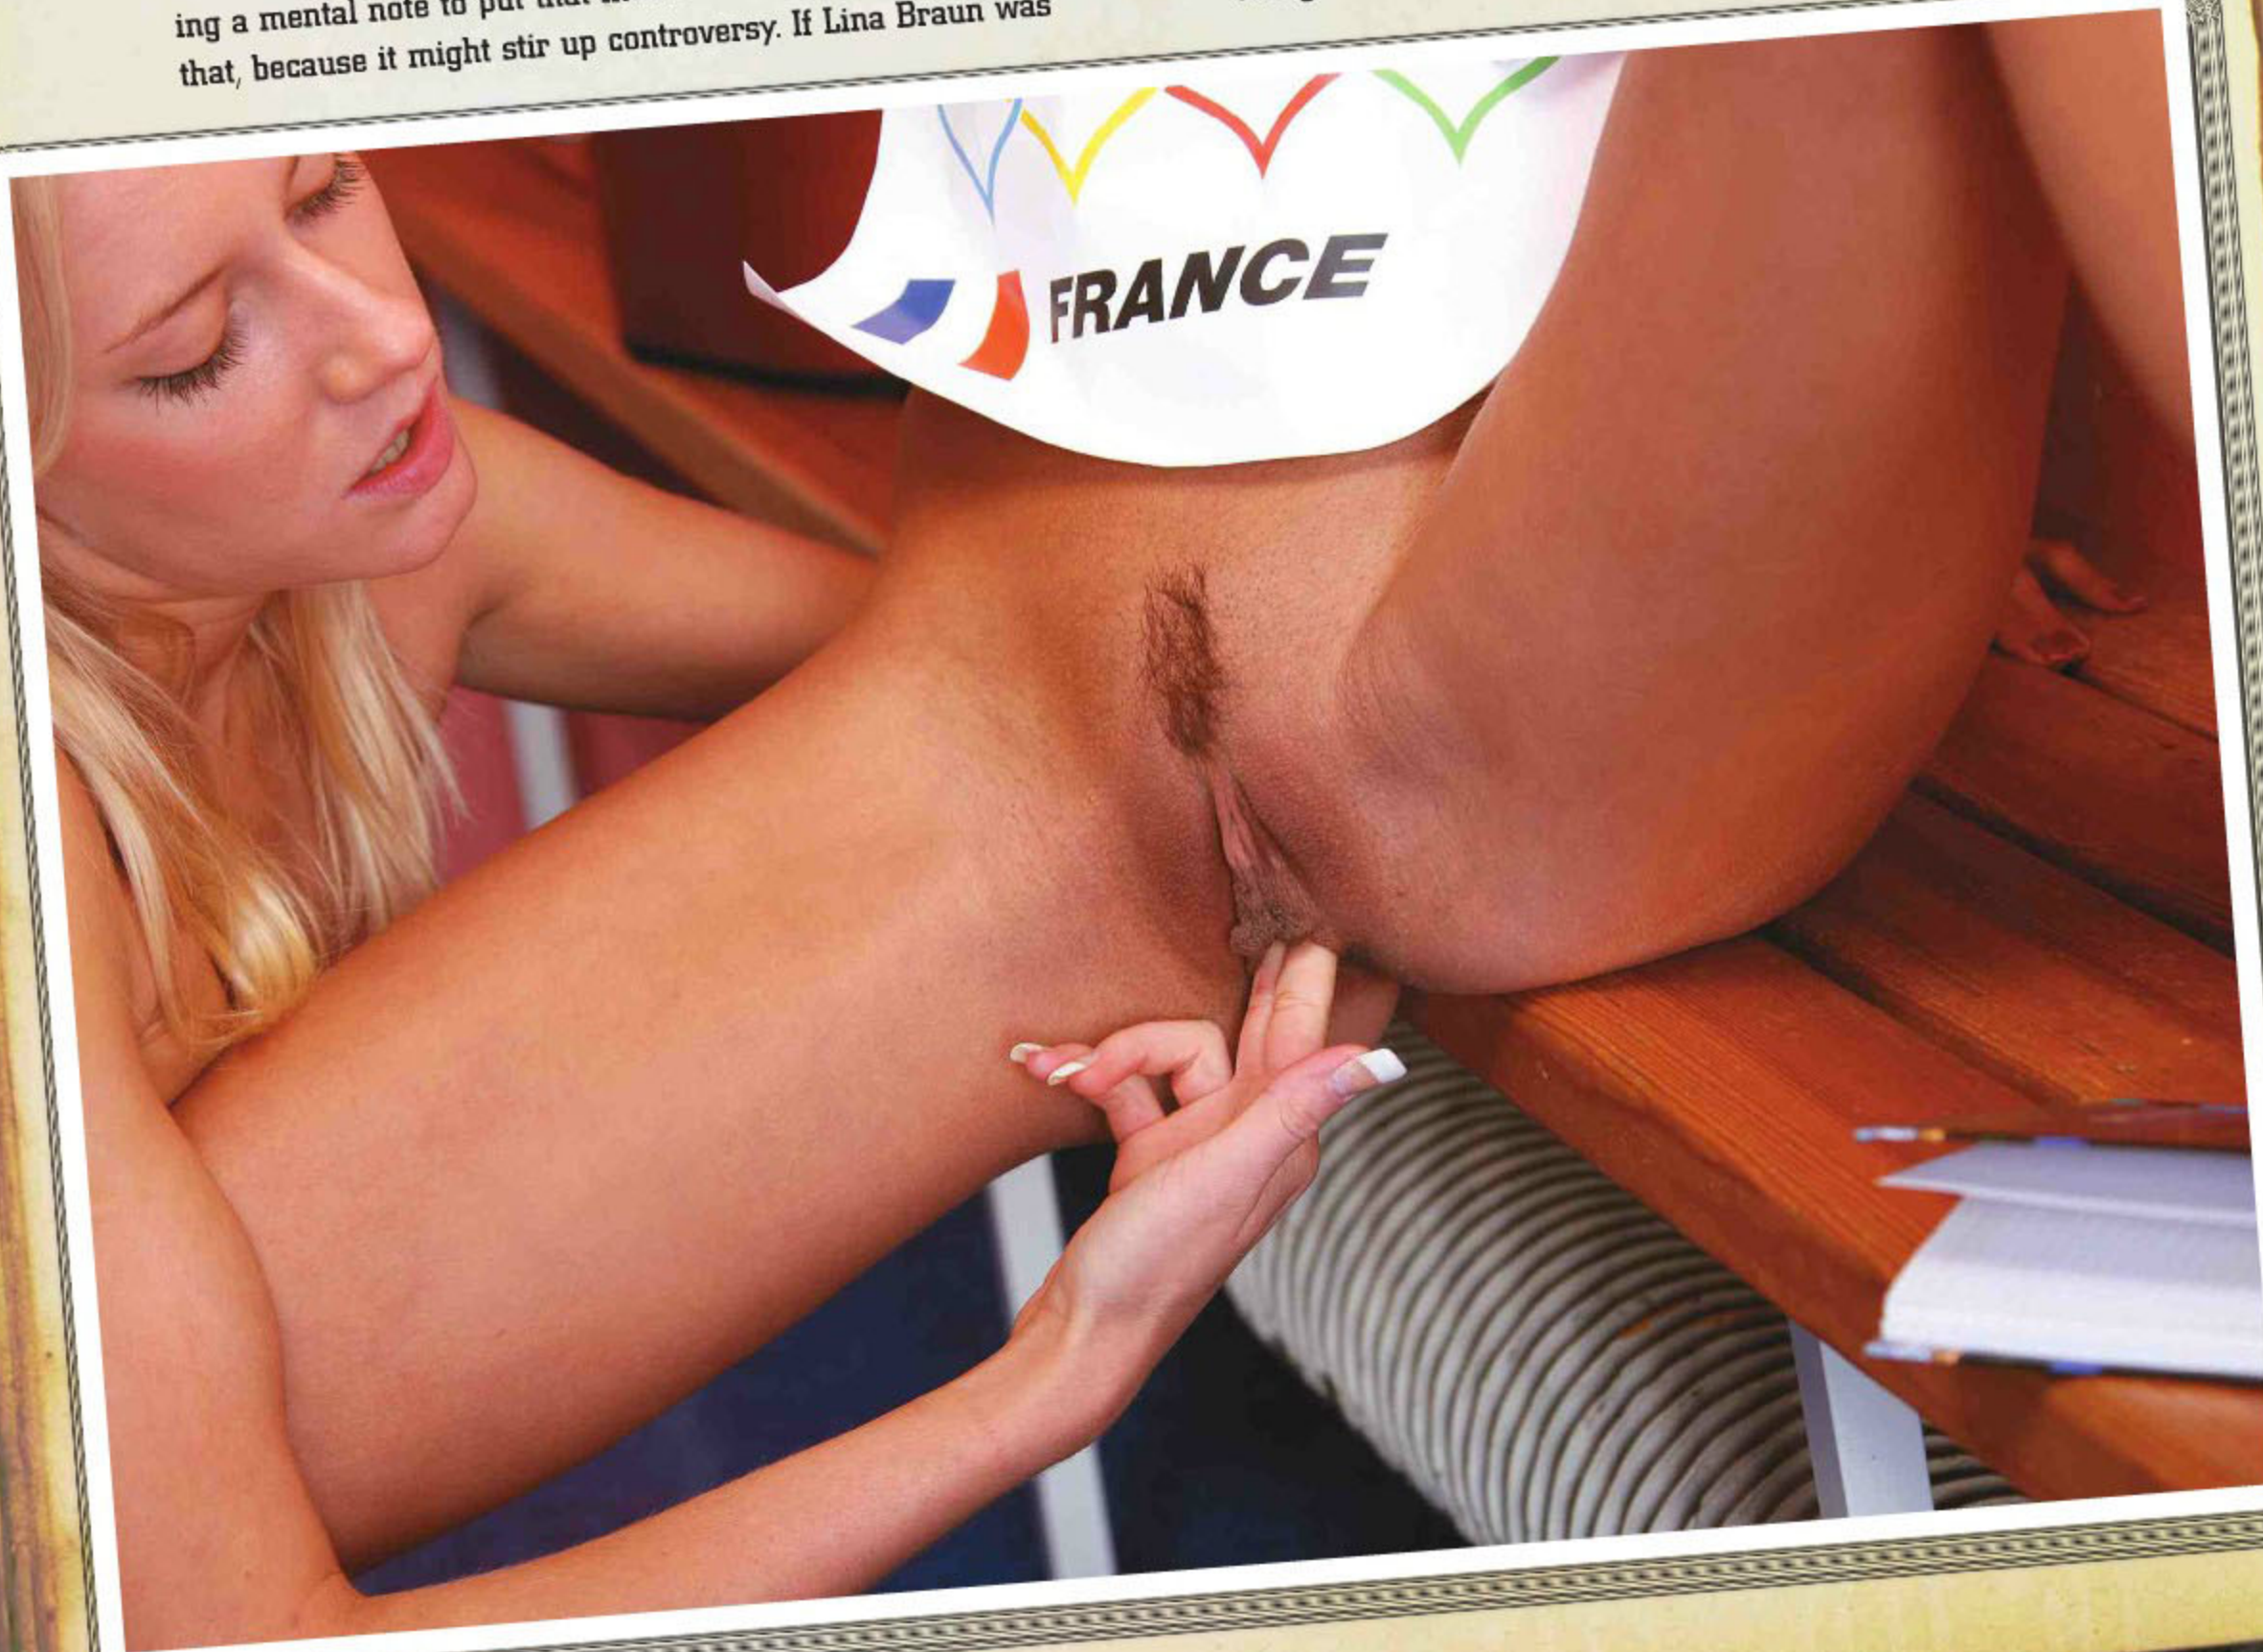

Silvie sat down on the bench, spread her legs, and invited my face between them. "Eesn't theese so much more nice than doing the silly een-ter-view? My manager, she says I should do the een-terviews, but I am only een-terested in running and ee-ting pussy."

"No guys, ever?" I said, looking up as I flicked at her clit, which was hard like a bullet. "You don't like cock?"

"I don't ee-ven like thee word 'cock,' " said Silvie, turning around and sticking her butt in my face. "Once, I tried a cock, but it was not my th-eeng. Eet is like a snake in the grass."

Girl has some psychological issues, I thought to myself, making a mental note to put that in the article. Ms. Braun would like that, because it might stir up controversy. If Lina Braun was

famous as an editor for anything, it was for turning rocks over to see what crawled out from underneath. Even with Olympic athletes, or maybe especially with Olympic athletes! I fingered Silvie's pussy and licked the lips, but then she

echoed in the locker room. Then she lapped like a hundred miles a minute at my clit, before standing me up and licking me from behind too, doing me with her fingers while her tongue moved faster and faster until I couldn't hold back.

"Oh Silvie, oh Silvie, that's so goooooood!"

"That's eet, Kathee, that's eet—let eet all out on my mouth! I take eet!" And Silvie clamped her lips on my cunny as I twisted and exploded in the Big O. (Or should I say Beeg?)

groaned, "Eet my crack too, Kathee, I like to feel a preetty tongue in my ess-hole!" So I lapped at her rosebud, which was moist and sweaty but good.

Silvie came on my tongue when I did her ass. But, like a great athlete (I guess), she recovered super-quickly and got me down on the floor. "Eet is your turn now for 'la petite mort,' Kathee—I show you I make thee girls cum as good as I make thee dash!"

She was true to her word, this Silvie of France. I leaned back on the blue floor as she crammed two fingers into my slot deeply, moving them around so much that my juices made squishy sounds that

"That felt really good, Silvie," I gasped. "You must practice eating pussy as much as you practice the dash."

"Eet ees one of my beeg talents," she said, licking at my mouth, biting on my lips lightly while lifting me up and rubbing my drained pussy against hers. "Maybe we have one more Beeg O before we get back to the een-terview, yes?"

That sounded like a plan. And I thought to myself, this Silvie might make a sports fan out of me yet...or at least more than a part-time lesbian!

This hottie's  
red with desire.  
For dick!

**P**eople always assume that redheads have terrible tempers, but I say that's just a dumb myth. I'm about the sweetest, most easy-going girl you could ever hope to meet just as long as I'm getting laid on the regular. But if it's been a while since I've gotten some, well then WATCH OUT because I get downright witchy. Even though I make sure to stuff my muffin by hand as often as I can, doing myself doesn't ever feel nearly as good as getting done by someone else. Some girls swear that they need beauty sleep, well I need beauty banging or my mood gets real ugly, real fast. It's not like I'm high maintenance or anything, I just require my fair share of fucking is all. So I guess maybe that hot-tempered redhead thing has a little bit of truth to it after all...whatever. At least I have a hot hoo-ha to go along with it!

This  
biotch rode  
the anal  
express  
straight to  
popularity  
town!

**I** used to be sort of bummed about my body. I mean, I know I'm pretty and all but I'm thin and have tiny tits and most guys seem to go for the curvier girls. So I just sort of resigned myself to being single. But then I hooked up with this one guy who taught me that if I'm willing to do what other girls won't, the size of my boobies doesn't matter one bit. I got his point and gave him my anal cherry. I wasn't expecting to dig butt-sex but I did, and now I totally can't get enough. I need something cock-shaped rammed up my rear even when I'm just getting my own self off. Wow, huh? Oh and that guy I mentioned earlier? The first one inside my back door? He spread the word that I'm down with having a nut bust in my booty and now I have guys coming out the wazoo—literally! **18**

# BREAKFAST OF CHAMPIONS

**M**y teammates and I made up our own motto: "One wiener makes us all winners!" It's awesome because it's totally true! As long as we have at least one dick to divvy up between us, we all cum out on top. Our last meet was an enormous success. Not only did we get gold, we picked up an adoring fan from the stands and lured him into the locker room to have our way with him! And golly, was this guy a champion. He had a trophy-sized cock that got our girly juices a-flowin' right away! Me and the gals really put him through the paces, each of us taking multiple turns clenching our coochies around his shaft. We filled in the gaps by fondling each other, and not a single nipple went un-nibbled, no clitty left un-licked. Our stud pushed himself hard right to the end, then shot through the finish line by spooging on our faces. 

These chicks  
are the  
champions of  
choad!

A blonde woman with long hair is sitting in a white bathtub. She is wearing a black thong and is holding a red, bulbous dildo with both hands. She is looking directly at the camera with a wide, open-mouthed smile. The background consists of white square tiles with gold-colored grout. To the left, a chrome faucet and shower handle are visible. To the right, there is a decorative tile panel with a black and white checkered pattern. A blue speech bubble with a white border is positioned at the bottom of the image, containing text.

**I**'m a super competitive person. I've gotta be the best at everything I do, and I want everyone else to know about it. Like with sex—I was the first girl in my neighborhood to put out the very second I turned 18! All the boys I know like to do it with me and every single one of them has told me how great I am at giving head and how soft and wet my pussy feels. But lately there's been this rumor going around that a bitch named Aspen is the anal queen and I'm not having it! So I bought myself a giant orange dildo and I've been using it to train my starfish. I slip the tip in then sit on it, nice and slow, letting it ease way deep into my a-hole. I've also been using it to increase the volume of my vage. I'm gonna be the ho with the stretchiest holes around here! 

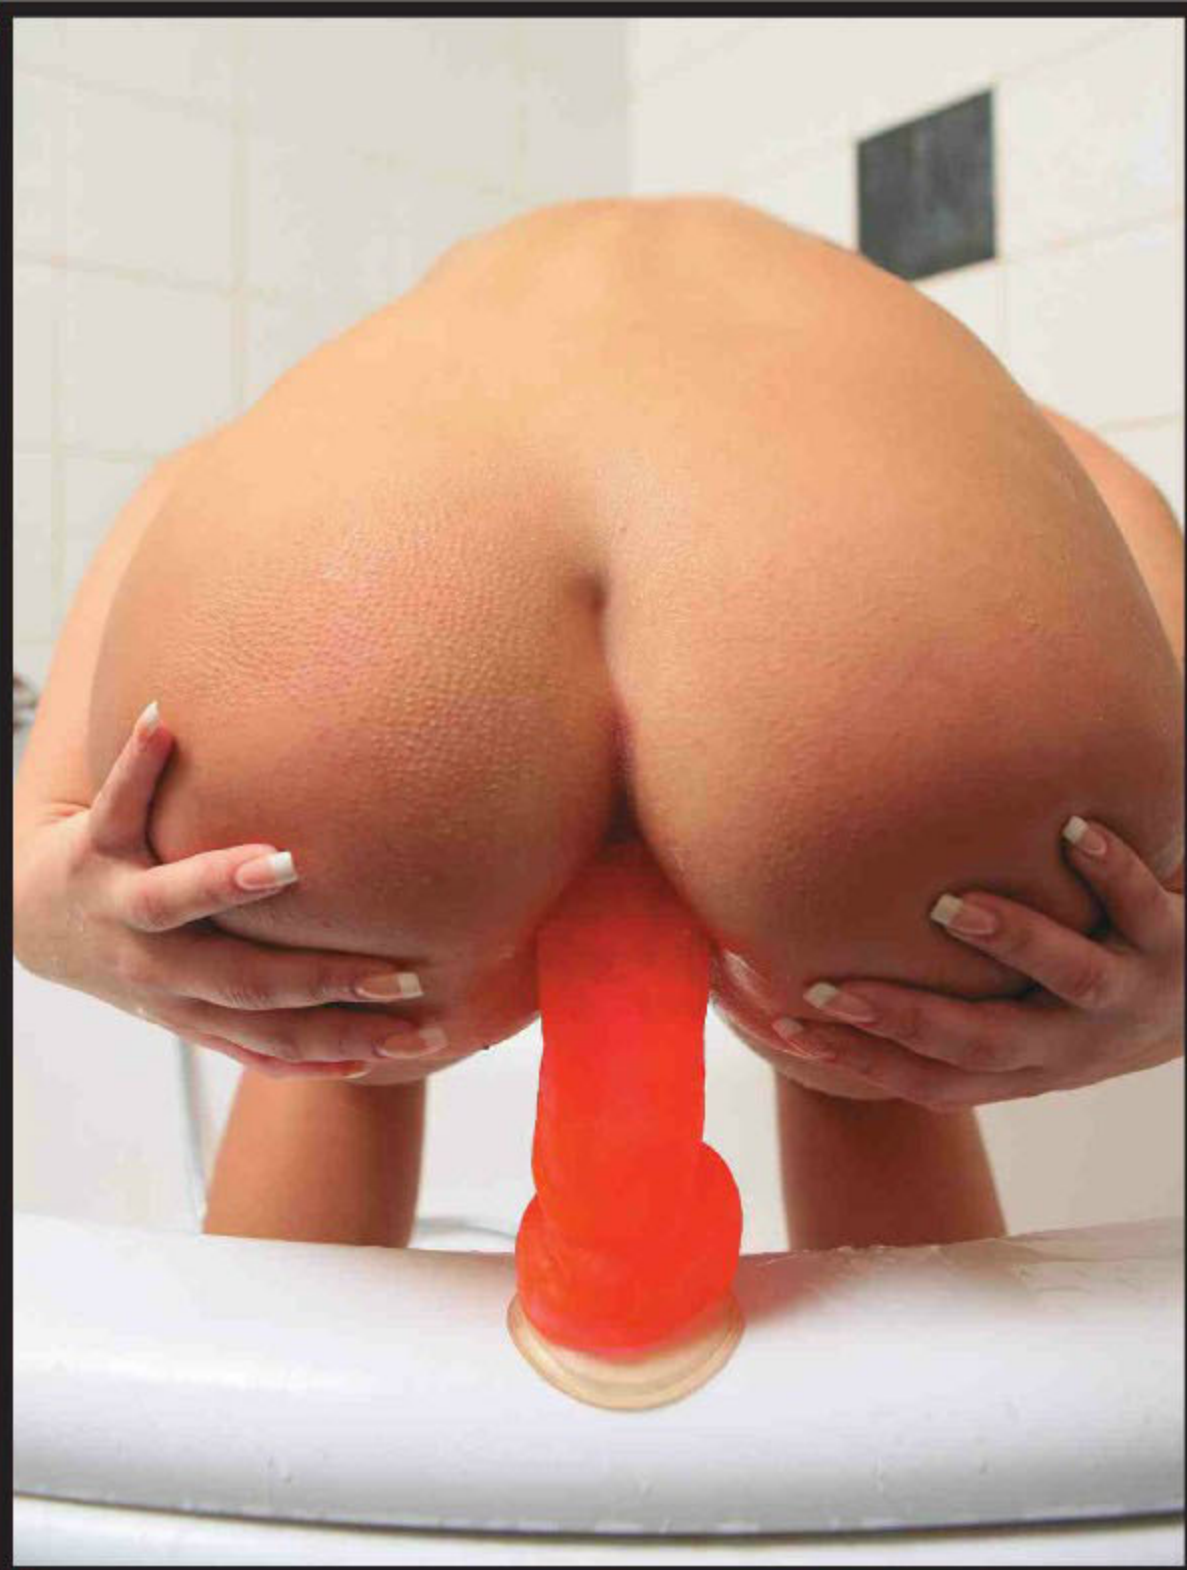

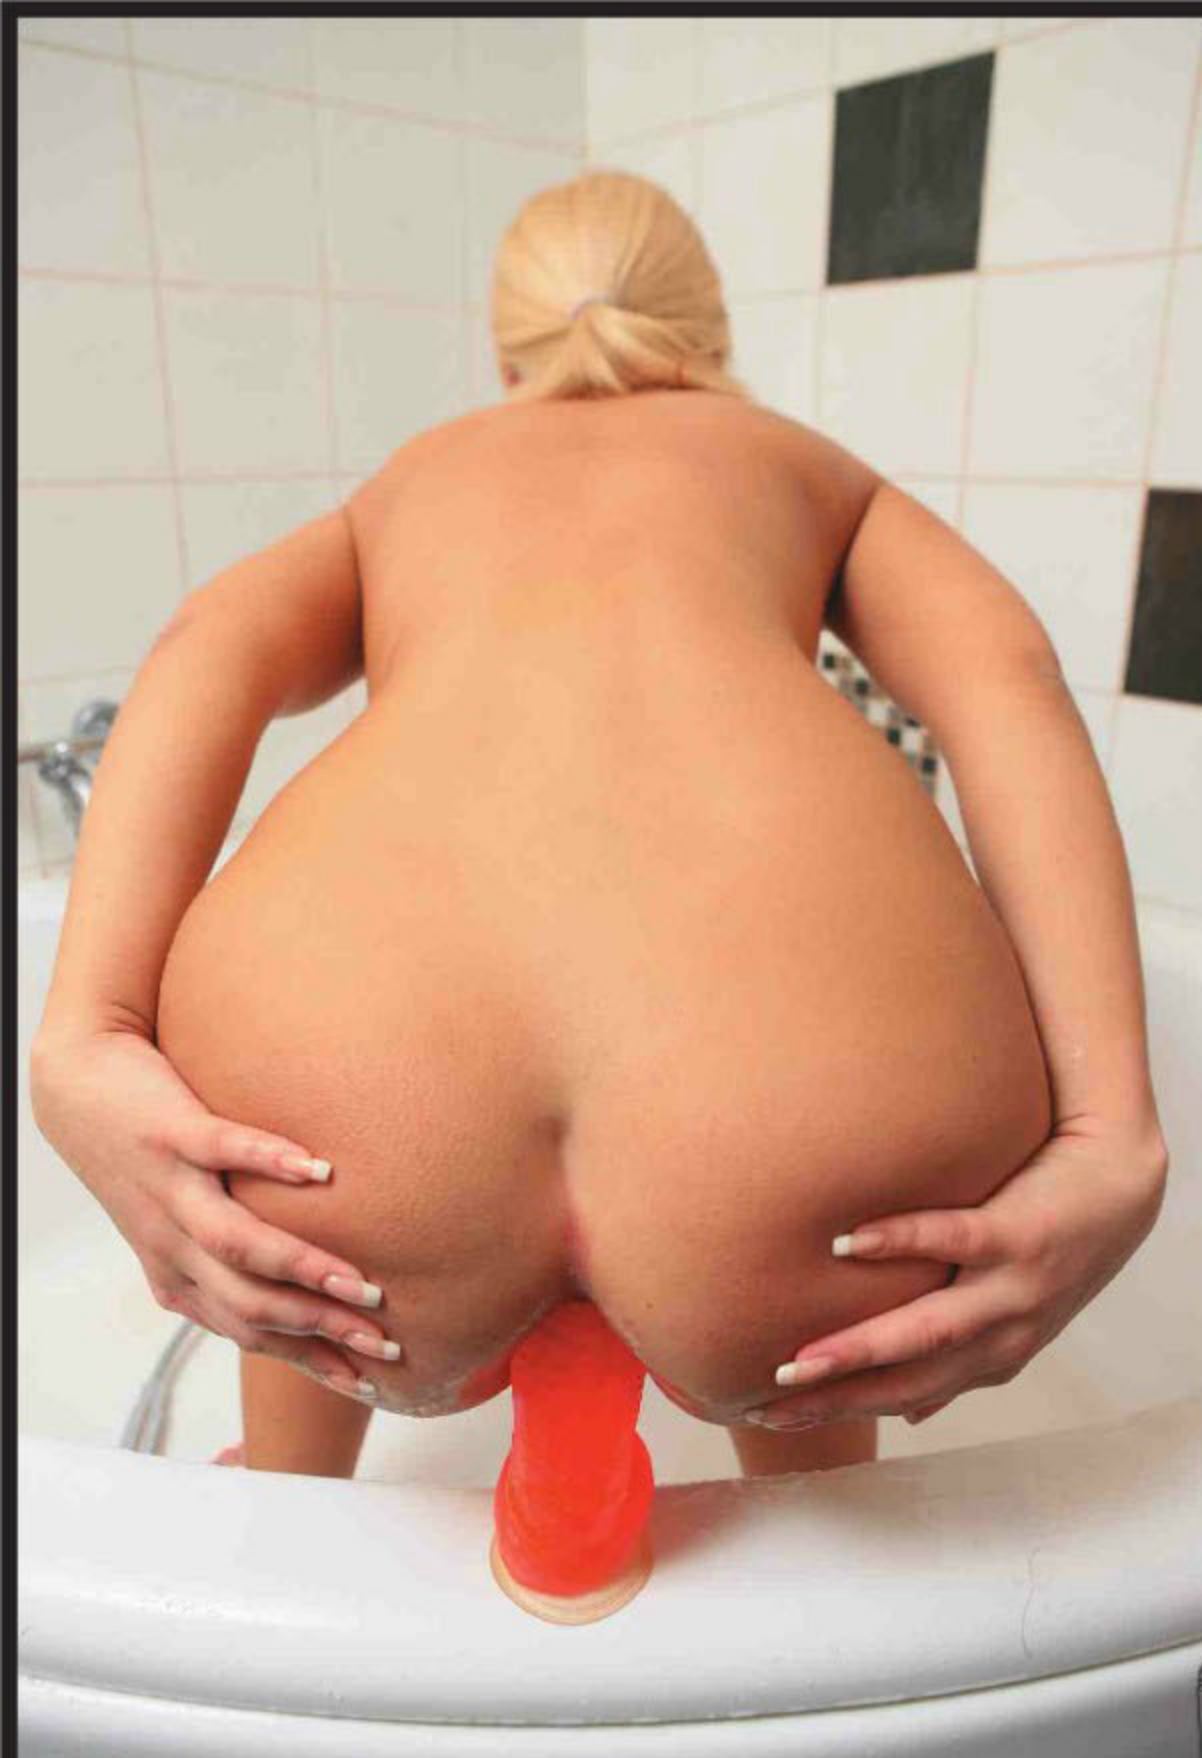

Whoa,  
that's one  
determined  
ho!

# LOVISA & JESSICA

**M**y buddy Jessica and I always have so much fun together. We love to hang out and goof around doing sexy girl stuff, like tanning topless by the pool. We don't even bother with bathing suits, we just hike up our shirts and let our girls out. Thing is, whenever Jess and I spend time together we always wind up getting pretty frisky. It's not that we're dykes or anything, we're just fooling around. It's fun! But goddamn it feels good when she kisses my clit. Then when I'm cumming like crazy, she pops a vibe right inside my snatch and my orgasm sort of doubles back on itself and I start to cum all over again. I like licking her ass and feeling her rose bud pucker up against my tongue. She sure seems to like it too from the sounds she makes. Her girlie juice tastes sweet like soda pop. I wish all my friends were as fun as Jess. **18**
